Intellectual Property Rights

The Platform and its entire contents, features and functionality (including but not limited to all information, software, text, displays, images, video and audio, and the design, selection and arrangement thereof), are owned by the Company, its licensors or other providers of such material and are protected by United States and international copyright, trademark, patent, trade secret and other intellectual property or proprietary rights laws.

These Terms of Use permit you to use the Platform for your individual, non-commercial use only. You must not reproduce, distribute, modify, create derivative works of, publicly display, publicly perform, republish, download, store or transmit any of the material on the Platform. You must not directly or indirectly: (i) modify copies of any materials from the Platform or make any derivative works of the Platform; (ii) delete or alter any copyright, trademark or other proprietary rights notices from copies of materials from the Platform; (iii) copy, sell, redistribute, rent, lease or otherwise access or use for any commercial purposes any part of the Platform; (iv) incorporate the Platform or any portion of it into another product or service; (v) reverse engineer, decipher, decompile, or disassemble the Platform and any code contained therein, or otherwise attempt to derive the source code or underlying ideas or algorithms of Company (except where expressly permitted by law); or (vi) export, re-export, transfer and/or release the software, for any proscribed end-use, or to any proscribed country, entity or person (wherever located), without proper authorization. If you print, copy, modify, download or otherwise use or provide any other person with access to any part of the Platform in breach of the Terms of Use, your right to use the Platform will cease immediately and you must, at our option, return or destroy any copies of the materials you have made. No right, title or interest in or to the Platform or any content on the Platform is transferred to you, and all rights not expressly granted are reserved by the Company. Any use of the Platform not expressly permitted by these Terms of Use is a breach of these Terms of Use and may violate copyright, trademark and other laws.

Trademarks

The Company name, logo and all related names, logos, product and service names, designs and slogans are trademarks of the Company or its affiliates or licensors. You must not use such marks without the prior written permission of the Company. All other names, logos, product and service names, designs and slogans on the Platform are the trademarks of their respective owners.

Rewards Program

Overview. The Company may offer one or more rewards programs (“**Rewards Programs**”) under which you may have the opportunity to receive cash incentives (“**Rewards**”) related to your participation in or interaction with various advertising, content, shopping opportunities, special offers, surveys, coupons, location-based deals, and other Rewards opportunities (collectively, “**Offers**”).

Suspension or Termination of your Participation. The Company may limit, suspend, or terminate your ability to participate in a Rewards Program, and may suspend or void any Rewards or potential Rewards you may have received or accumulated in a Rewards Program but not yet successfully redeemed, if we determine in our sole and absolute discretion that you have not complied with these Terms of Use, require an uncommon or excessive level of customer support, or otherwise are not using and receiving the Rewards Program benefits in a mutually satisfactory way consistent with the typical member. You agree to abide by the final and binding decisions of the Company regarding any Rewards Program and your participation in it. We reserve the right to change, suspend, or cancel all or a portion of a Rewards Program, including any unpaid Rewards, at any time, without prior notice or compensation to you.

Receiving Rewards. You may receive Rewards in a Rewards Program by participating in various Offers through our Platform, as described in the applicable Rewards Program. Subject to the other provisions of these Terms of Use, the Company will deposit any Rewards for Offers that you choose to participate in and successfully complete into the account that you established when you joined the Rewards Program (the “**Account**”). Rewards are deemed successfully completed once you have fully and properly satisfied all of the requirements of the Offer in the manner specified in the Offer (including any time limitations or waiting periods for acceptance or completion of the Offer) and in compliance with these Terms of Use, and the Company and/or our third-party Rewards Program partners are able to properly validate, track and record that you have done so. For avoidance of doubt, the Company shall not be responsible for, nor shall the Company be obligated to award Rewards to you for, any Offer that is not properly recorded, tracked, validated and/or deemed a successfully completed Reward under the Company’s and/or our third-party Rewards Program affiliates’ policies, procedures, and systems. In some instances, the Company’s third-party Rewards Program affiliates, rather than the Company, may make the final determination of whether an Offer has been successfully completed and thereby should result in a Reward. Please be sure to review all applicable terms of Offers and Rewards before deciding whether you would like to participate. We also reserve our right to: (1) change or limit the Offers or Rewards available or your ability to participate in certain Offers or the Rewards Program itself, (2) change or limit the eligibility for or allowable frequency of Offers, and (3) change or limit the number or type of Rewards you can receive for a given Offer or during a given time period, including, without limitation, the right to correct any inadvertent error in the number or type of Rewards awarded and to claw-back any unearned or unqualified Rewards deposited in your Account as a result. All such changes or limitations shall apply to all past, present, or future Rewards, unless otherwise expressly stated.

Redeeming Rewards. Subject to the other provisions of these Terms of Use, you may redeem accumulated Rewards in your Account once you have accrued a minimum of \$5 in rewards. The minimum withdrawal amount is \$5. Rewards will be transferred to the payment account for which the User has provided the Company with required routing information. User acknowledges that all transfers of Rewards are subject to a transfer fee.

Users may withdraw their Rewards by using the “Withdrawal” option on the Platform. Users may be requested to complete appropriate tax forms and forms of identification including but not limited to a Driver’s License, Proof of Residence, and/or any information relating to payment/deposit accounts as reasonably requested by Company in order to complete the withdrawal of Rewards. Failure to comply with this requirement may result in the inability to make a withdrawal. Disqualification or forfeiture of any earnings may also occur if it is determined any such User did not comply with these Terms of Use in any manner.

A User can request to withdraw Rewards from their Account at any time. Requests for withdrawal will be honored as soon as possible unless Company believes in good faith that the User engaged in either fraudulent conduct or other conduct that would put Company in violation of any applicable state law. A request for withdrawal will be considered honored if it is processed by Company, but delayed by a payment processor, credit card issuer, or by the custodian of a financial account. Users can also permanently close their Account at any time for any reason through the “terminate account” section.

All taxes associated with the User’s Rewards are the sole responsibility of the User. Any taxation liability or any other government charge or reporting requirement in connection with the receipt of a Reward is your sole responsibility. The Company offers no advice to or accepts any taxation liability in relation to Rewards.

No substitution or transfer of a Reward payout is permitted, except that Company reserves the right to substitute a payout of equal or greater value including but not limited to gift cards of equal value of the earned incentive. All Rewards are awarded “as is” and without warranty of any kind, express or implied (including, without limitation, any implied warranty of merchantability for a particular purpose).

Users who believe that funds held by or their Accounts with Company have been misallocated, compromised or otherwise mishandled, may register a complaint with Company online by e-mailing supportuser@aditt.app . Company shall use its best efforts to respond to such complaints as soon as possible. If Company determines that the relief requested in the complaint will not be granted, its response will set forth the specific reasons therefore. If more information is required for Company to process the complaint, the response will note the form and nature of the necessary additional information needed.

Verifying Identity and Eligibility. The Company reserves the right to verify your identity to our complete satisfaction prior to crediting or allowing redemption of any Rewards, issuing, or delivering any Rewards in any Rewards Program, or otherwise providing you with access to or any benefit associated with the Platform or your Account. The Company implements such verification requirements to confirm, preserve and protect the security of the Platform and your Account from unauthorized access and security threats. We may do so by requesting—either directly or indirectly via a third-party verification service—that you provide an image of your passport, driver’s license, or state ID card, by requiring you to verify the mobile phone number associated with your Account, or by such other proof of identity or eligibility as we may require. Some of our services or Rewards may have additional eligibility requirements and in that case the Company also reserves the right to determine or verify your eligibility using such methods as we deem appropriate. If you are unable or unwilling to verify your identity in response to our request, or if we have other reason to suspect your Account may be compromised, insecure, or a threat to the Platform or your Account, we reserve the right in our sole and absolute discretion to

temporarily or permanently deactivate or deny or restrict access to your Account, or any benefit associated with the Platform.

Inactive Accounts. Any Account that has not met our minimum activity standards for 12 consecutive months or more may be deemed inactive and the Account closed. Our minimum activity standards require the Account holder to login to the Account every 12 months. An Account holder may not meet “new activity” standards by passively receiving Rewards for referrals made—or similar recurring Rewards—from activities that the holder initiated on the Platform or features more than 12 months prior. We may modify our inactive Account rules and policies in our Rewards Programs from time to time, and if your Account becomes inactive pursuant to such then-current rules or policies, we may close your Account accordingly, without any compensation or further obligation to you regarding the closed Account.

Rewards Expiration. We may adopt or modify our Rewards expiration rules and policies for any past, present, or future Rewards from time to time, and if your Rewards expire pursuant to such then-current rules or policies, we may remove such Rewards from your Account, without any compensation or further obligation to you regarding the expired Rewards.

Referral Program Rewards. From time to time, the Company may offer special bonuses or incentives (“Referral Rewards”) for referring others who successfully join and participate in our Rewards Program(s). Referrals must be made using a personal referral code or URL provided by the Company and shall be governed by the then-current Referral Program terms applicable to the specific promotion.

Enhanced Earnings Rate. The Company may offer Users the opportunity to increase their Rewards earning rate through either (i) referring at least two (2) new, verified Users who register and engage meaningfully with the Platform, or (ii) subscribing to a paid membership at a rate of \$5.00 per month (the “Enhanced Rate”). Users who qualify for the Enhanced Rate will earn Rewards at a higher rate, which may be up to three times (3x) the standard free-user earning rate.

Users who achieve the Enhanced Rate via referrals will retain this benefit for the life of their account, subject to continued compliance with these Terms of Use. Users who subscribe to receive the Enhanced Rate will retain the higher earning rate only while their subscription is active and in good standing. If a User cancels or fails to renew their paid subscription, their earning rate will automatically revert to the standard rate at the end of the current billing cycle.

The Company reserves the right to modify the earning rates, eligibility criteria, or subscription pricing at any time, with or without notice, at its sole discretion.

You agree to only share referral links or provide us with email addresses or other personal information of individuals for referral purposes with their knowledge and express consent. Referral Rewards are only available for unique, first-time users who: (i) Do not share the same device, IP address, or payment credentials as the referring user; (ii) Have not previously created or registered an Account on the Platform; and (iii) Meet all eligibility requirements of the Platform and these Terms of Use. Referral Rewards will not be granted if we determine, in our sole and absolute discretion, that: (i) You referred yourself or invited accounts that are yours or under your control; (ii) You used temporary, single-use, or “burner” phone numbers or email addresses; (iii) You engaged in referral behavior that was fraudulent, automated, or manipulated

via VPNs, bots, click farms, AI tools, or other unauthorized means; (iv) The referred user did not engage meaningfully with the Platform or Rewards Program; (v) You violated these Terms of Use or the terms of the Referral Program. You must be able to produce proof satisfactory to us that your referrals were legitimate and made in accordance with these Terms of Use and applicable program terms. If you are unable to do so, we reserve the right to: Withhold or rescind any pending or paid Referral Rewards; Reverse or correct Rewards balances in your Account; Suspend or permanently terminate your Account; Or take other actions deemed necessary to protect the integrity of the Platform. Referral Rewards have no cash value until properly earned and redeemed in accordance with these Terms and may be modified, suspended, or revoked at any time, with or without notice, at the sole discretion of the Company.

Affiliate Program Rewards. In addition to our standard referral rewards, Aditt offers a separate Affiliate Program for creators, marketers, and partners who wish to earn additional commissions by promoting Aditt through approved channels. Participants in the Affiliate Program may be eligible to earn payouts based on tracked conversions and user engagement, subject to the [Affiliate Program Terms](#) and independent of any referral limits on the core Platform.

Third-Party Payment and Identity Verification Services. All payment processing and identity verification on the Platform, including but not limited to the withdrawal of Rewards and onboarding for payments, is handled by third-party service providers such as Stripe, Inc. (“Stripe”). By using the Platform, you agree to be bound by Stripe’s applicable terms and policies, including the [Stripe Services Agreement](#) and [Stripe Privacy Policy](#).

The Company uses Stripe Identity to verify that each user is a real, unique individual and to prevent multiple accounts or fraudulent activity. This verification may include government-issued ID scans and biometric or device-based authentication. The Company is not responsible for any errors, delays, or security breaches caused by third-party processors. Use of the Platform is subject to additional terms, conditions, and privacy practices of such providers.

You agree that you will not engage in any activity or conduct that interferes with or disrupts the Platform (or the servers and networks which are connected to our Platform) or use any service to manipulate your computer, mobile phone, or other device to gain any advantage on any of our rewards programs. You agree that you will not reproduce, duplicate, copy, sell, trade, or resell our Platform services for any purpose. You further agree that your use of the Platform shall not be fraudulent, deceptive, or unlawful, as determined in our sole and absolute discretion. You shall also comply with all usage rules and guidelines found throughout the Platform. - share a single Account with anyone else;
- create or use multiple Accounts (i.e., only one Account is permitted per person in each Rewards Program);

- submit any personal information (name, email, zip code, etc.), payment information (credit card number and expiration date, etc.), or other information which we determine in our sole and absolute discretion to have been false, inaccurate, or otherwise invalid in connection with any Offers or any other use of the Platform and features or our services;
- post, upload, transmit or otherwise disseminate information that (in our sole and absolute discretion) is obscene, indecent, vulgar, pornographic, sexual, hateful, or otherwise objectionable;

- perform Offers in our Rewards Programs in an artificial, engineered or unauthorized way, or otherwise engage with any of the Platform and features or our services in a

manner that does not reflect organic, conventional human usage, such as by participating in a botnet, click farm, or other ad-fraud collective, manipulating links, leveraging unauthorized artificial intelligence (AI) or “chatbot” technology, or conducting excessive searches, for the purpose or with the effect of increasing the Rewards you receive, as we may determine in our sole and absolute discretion; or

If you find an Error, we kindly request that you report it to our appropriate support team by contacting us at supportuser@aditt.app.

If we determine in our sole and absolute discretion that you have violated these Terms of Use, we may issue you a warning regarding the violation prior to terminating or suspending any Account you have created (or which is associated with you) using our services.
